Recommendation

On behalf of Laurynas Bakas (ID nr. 38302260451, Passport nr. 21118800)

We together, with Laurynas Bakas, were working at my architectural design, territory planning and land development company "Vitalda" for half of a year in 2007. I know Laurynas Bakas as a young and perspective architect. He is talented, communicable, organized, diligent specialist, able to solve high complexity assignments. I highly recommend him to anyone planning to collaborate on projects or work with him in a team.
